Subject: Deficient Notice of Intention to Commence Small Mining Operations, Metamining of Utah, Black Desert Mine, S/023/0088, Juab County, Utah

Dear Mr. Lowder:

The Division of Oil, Gas and Mining has reviewed the referenced Notice of Intention to Commence Small Mining Operations (NOI). The map that you submitted is adequate, but the text of the NOI needs to be revised to show that the disturbed area is now four acres.

1. Please modify the next of the NOI to show that the disturbed area is now 4 acres or less.
2. Please show the access route to the mine on a map. To do this you may use one of the enclosed maps.

Please provide your response as replacement pages for the original NOI, using Form MR-REV-SMO/EXP available on the Division's web site at www.ogm.utah.gov.

If you have any questions regarding this letter, please call Wayne Western at 801-538-5263. In reply, please refer to file number S/023/0088. Thank you for your cooperation.

Sincerely,

Paul B. Baker
Minerals Program Manager
